## COMPANY PROFILE

# About Us

## Company Overview

Evervive Global Private Limited is an emerging healthcare company committed to enhancing lives through quality, affordable health solutions. Founded in 2025 and based in India, Evervive Global bridges modern pharmaceutical science with the wisdom of traditional medicine to deliver a comprehensive range of products. We specialize in pharmaceuticals, nutraceuticals, and traditional medicinal products, all developed under stringent quality controls and backed by research. By integrating cutting-edge innovation with time-tested remedies, we aim to make healthcare accessible, effective, and holistic for communities worldwide.

Evervive Global serves a diverse clientele – from individual wellness consumers to hospitals, clinics, and business partners. Our operations span manufacturing, export, and collaborative R&D, enabling us to cater to both B2C and B2B needs. Guided by a customer-first ethos, we prioritize safety, efficacy, and compliance in everything we do. Whether it's producing life-saving drugs or daily wellness supplements, we strive to be a trusted partner in healthcare, delivering value and building long-term relationships grounded in trust and excellence.

# Vision & Mission

## Vision

To create a healthier world where modern science and traditional wisdom unite, delivering accessible wellness for all. We envision becoming a global leader in integrated healthcare, known for innovation, quality, and a compassionate approach that improves lives across continents.

## Mission

Our mission is to deliver high-quality, affordable healthcare solutions by harnessing innovation and honoring tradition. We are dedicated to:

- **Quality without Compromise:** Adhering to the strictest standards to ensure every product is safe and effective.
- **Innovation & Research:** Continuously investing in R&D to develop advanced formulations and improve existing therapies.
- **Holistic Wellness:** Combining pharmaceuticals, nutrition, and traditional remedies to address health from all angles.
- **Global Accessibility:** Collaborating with partners and expanding our reach so that our solutions benefit communities worldwide.

# Why Choose Us

## AFFORDABLE CARE

Healthcare shouldn't be a luxury. Evervive Global focuses on cost-effective production and efficient distribution to offer affordable pricing without sacrificing quality. We believe everyone deserves access to premium healthcare products, so we optimize our processes to reduce costs and pass on the savings to our customers and partners.

## GLOBAL STANDARDS

We maintain world-class quality standards at every step. Our facilities follow rigorous Good Manufacturing Practices and international guidelines, ensuring that each product meets the safety and efficacy benchmarks of global regulatory bodies. From sourcing raw materials to final packaging, quality and compliance are our top priorities, giving you peace of mind and trust in our brand.

## TRUSTED PARTNERS

Evervive Global is built on a foundation of strong partnerships. We collaborate with reputable suppliers, healthcare professionals, and distributors around the world. These trusted relationships ensure a reliable supply chain and the latest industry insights. When you work with us, you gain a dependable partner committed to mutual growth, transparency, and long-term success.

## SCIENCE & TRADITION

Our approach uniquely blends modern science with traditional wisdom. We leverage advanced research and technology to enhance time-honored remedies – bringing you the best of both worlds. Whether it's formulating an herbal supplement using clinical evidence or improving a classic remedy with modern methods, we ensure that ancient knowledge and contemporary science work hand-in-hand to create effective, safe, and innovative health solutions.

# Our Services

## PHARMACEUTICAL SOLUTIONS

Evervive Global offers a wide portfolio of high-quality generic medicines designed to meet global healthcare needs. With a focus on affordability, efficacy, and compliance with international standards, our pharmaceutical solutions cater to diverse therapeutic segments, ensuring better accessibility for patients across markets.

## NUTRACEUTICAL INNOVATIONS

We develop and market innovative nutraceutical products that support preventive healthcare and overall wellness. Backed by research and quality formulations, our nutraceutical range addresses modern lifestyle needs, blending science with nutrition to promote healthier living.

## TRADITIONAL MEDICINES

Evervive Global integrates the rich heritage of traditional medicine with modern scientific validation. By offering safe, authentic, and effective traditional remedies, we help preserve ancient healing practices while making them relevant for contemporary global healthcare demands.

## CONTRACT MANUFACTURING

As a trusted partner for overseas companies, we provide end-to-end contract manufacturing solutions. From formulation and production to packaging and quality control, Evervive ensures seamless processes with strict adherence to international regulatory standards.

## GLOBAL EXPORT & SUPPLY CHAIN

With a robust supply chain network, Evervive Global exports pharmaceuticals, nutraceuticals, and traditional medicines to international markets. Our global outlook, regulatory expertise, and reliable logistics make us a preferred partner for businesses seeking consistent and timely delivery worldwide.

## RESEARCH & DEVELOPMENT (R&D)

Innovation lies at the core of Evervive Global's growth. Our dedicated R&D mechanism is constantly engaged in developing new formulations, enhancing product quality, and identifying emerging trends to create future-ready healthcare solutions that meet evolving customer needs.

# Our Services

## BRAND DEVELOPMENT & PRIVATE LABELLING

Evervive Global offers a wide portfolio of high-quality generic medicines designed to meet global healthcare needs. With a focus on affordability, efficacy, and compliance with international standards, our pharmaceutical solutions cater to diverse therapeutic segments, ensuring better accessibility for patients across markets.

## REGULATORY & QUALITY COMPLIANCE SUPPORT

Quality and compliance are non-negotiable at Evervive Global. We provide regulatory support services, ensuring that every product meets the required certifications, documentation, and quality benchmarks. This commitment strengthens trust with partners and end consumers alike.
